- Founded in 1974 by Mr. Hironari Ohshiro
- O.E.M. (Original Equipment Manufacturer)
- Member of the Water Quality Association (WQA)
- Top industry leader in water ionization
- Offices located all over the world
- Member of the DSA (Direct Selling Association)

*With hard work and determination the dreams of a young man have come to fruition... and, with your help, those dreams are now changing the world.*

## LEADING TO GLOBAL EXPANSION!

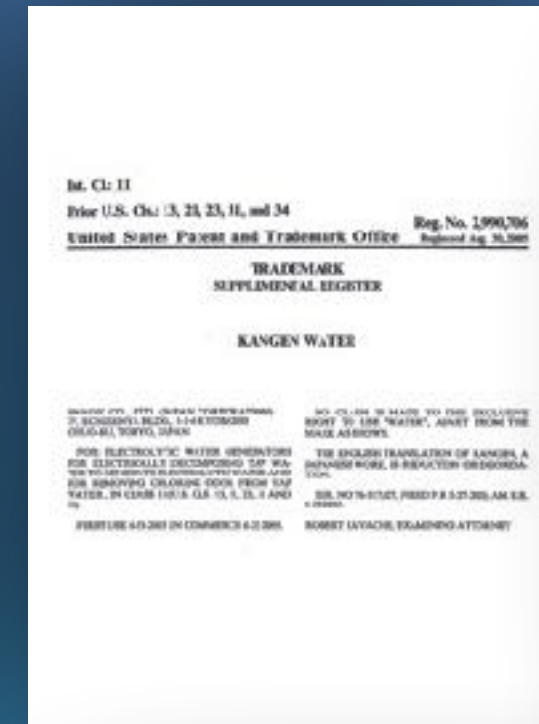

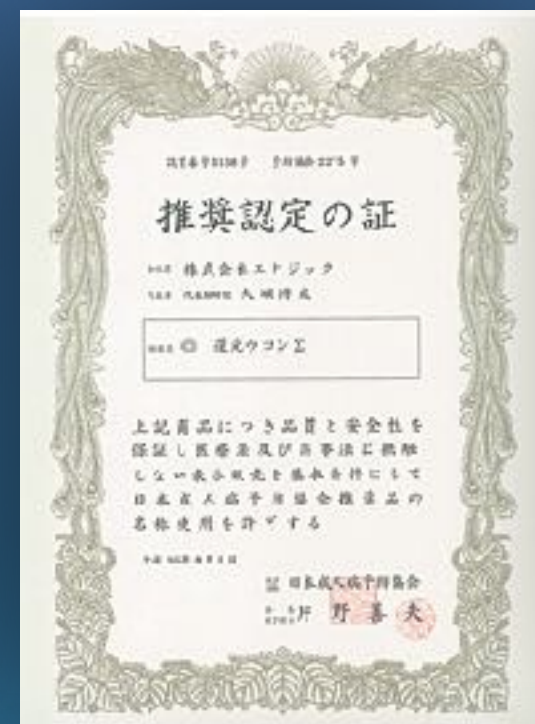

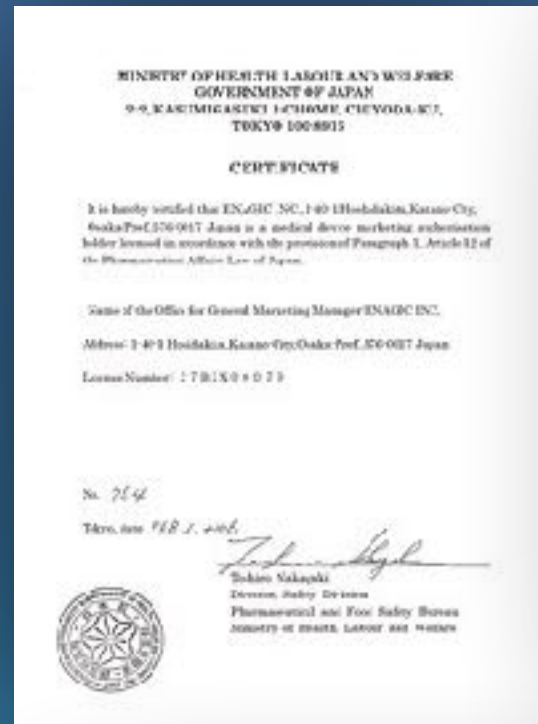

**23 COUNTRIES  
40 LOCATIONS**

# Awards, Certifications & Documented Recognition

# WQA Gold Seal

## NSF / ANSI Certification

Enagic® is a member of the Water Quality Association (WQA) an International Trade Association representing the residential, commercial and industrial water treatment industry.

Enagic® is the ONLY ionizer manufacturer in the world with this coveted certification!

# ENAGIC IS CERTIFIED QUALITY

Enagic represents the best electrolyzing machines available on the market. All units are completely manufactured by Enagic.

Enagic's devices filter tap water, and through the process of electrolysis, create Kangen Water®. "Kangen," in Japanese, means "return to origin."

Enagic International is certified to **ISO 9001**, **ISO 14001**, and **ISO 13485** for quality control and environmental management.

# Alkalinity

## pH COLOR CHART

# INNOVATIVE WATER TECHNOLOGY

*Enagic's devices produce ionized alkaline and acidic waters through electrolysis. These waters can be used for various purposes, including drinking, cooking, beauty, and cleaning.*

## FIVE WATER TYPES

Strong Kangen Water

Kangen Water®

Clean water

Beauty Water

Strong Acidic Water

# FIVE WATER TYPES

## Strong Kangen Water pH 11.0 and higher

Has a strong cleaning effect; removes yellow stains from sinks and bathrooms, breaks down oil stains by emulsifying oil residue, works as an additive for laundry, cleans fruits and vegetables. Great to add delicious flavor to meats and fish.

Our Signature Kangen Water. Perfect for drinking and healthy cooking. Electrolyzed, hydrogen-rich water. Improves taste and aroma to spirits, coffee and tea.

## Kangen Water pH 8.5 to 9.5

**Drinking**

**Food preparation**

**Coffee and tea**

**Soups and stews**

## Clean Water pH 7.0

Filtered, neutral water. Free of chlorine, rust and impurities. Recommended for baby formula and medication intake.

## Strong Acidic Water pH 2.7 and lower

Has cleansing properties. Used for cleaning, stain removal, and to clean kitchen counters without the use of chemicals (not for drinking).

## Beauty Water pH 4.0 to 6.0

- Restores Skin Balance
- Matches Skin's Natural pH
- Helps Skin Function Optimally
- Wards off Bacteria
- Helps to Shed Dead Skin Cells

Slightly acidic water with astringent effects. Can be used as face wash or added to bath water. Gives crispy finish to deep-fry dishes, perfect for boiling noodles and pasta (not for drinking).

**Pet care**

**Face wash**

**Conditioner**

**Hair care**

**Hot Spring Mineral Spa Pedicure**
